### [Aetna Health Network Only \(HNO\)](#)

## Find the Right Aetna Doctor or Facility

You can locate a doctor or facility through Aetna's Directory of Health Care Professional Directory.

While the Directory is updated regularly, please keep in mind that the availability of any particular provider cannot be guaranteed.

### **Steps to Locating a Doctor or Facility**

Visit <https://www.aetna.com/individuals-families/find-a-doctor.html>

## From here you have the option to continue by:

- creating an account
- logging in as a member (if you have previously registered)
- continuing as a guest

**Continue on for more information on your preferred option.**

The screenshot shows the Aetna website's navigation and main content area. At the top, there is a navigation bar with the Aetna logo on the left, and links for 'Contact us', 'Español', a search bar, and 'Explore Aetna sites'. Below this is a secondary navigation bar with links for 'Explore plans', 'Member support', 'Find a doctor', 'Find a medication', and a 'Member login' button. The main content area features a large heading 'Find a doctor, dentist or hospital' over a background image of two young children looking at a tablet. Two white callout boxes are overlaid on the page. The first box, titled 'Already a member?', contains a login icon, the text 'Log in to find doctors, dentists, hospitals, and other providers that accept your plan.', and two buttons: 'Find a doctor' and 'Find a pharmacy'. The second box, titled 'Guests', contains a guest icon, the text 'Choose the type of plan you're interested in to search for health care providers that accept it.', and a list of plan types with right-pointing chevrons: 'Plan from an employer', 'Individual health plan', 'Individual dental plan', 'Aetna Medicare plan', 'Aetna Medicaid plan', and 'Aetna Vision Preferred plan'.

## You can search for specific doctors, hospitals or other Aetna health care professionals that accept your plan:

Already a member? [Login to secure site](#)

Searching by: Aetna Health Network Only™ (Open Access) | [Change Plan](#)

What do you want to search for near 44106 (Cleveland, OH)? [Change location](#) »

Eg: John Wright, Primary Care Physician, Dermatologists, Periodontists

## Or you can select a tile by category:

 <b>Medical Doctors &amp; Specialists</b> >	 <b>Hospitals &amp; Facilities</b> >	 <b>Urgent Care</b> >	 <b>Walk-In Clinics</b> >	 <b>Pharmacy</b> >
Primary care physicians (PCPs), pediatricians, cardiologists, OB/GYNs, others	Hospitals, physical therapy centers, nursing facilities, dialysis centers, others	A type of facility focused on the delivery of urgent care outside of an emergency room	A facility that accepts patients on a walk-in basis and with no appointment required	Search for pharmacies by name or location
 <b>Mental Health</b> >	 <b>Dental Care</b> >	 <b>Vision</b> >	 <b>Labs &amp; Testing</b> >	 <b>Alternative Medicine</b> >
Counseling, EAP, mental health facilities, substance use treatment, psychiatrists, others	Dentists, orthodontists, periodontists, oral surgeons, endodontists, others	Routine eye exams, glasses, contact lenses	Bloodwork, lab tests, diagnostic testing centers, sleep centers, imaging centers, others	Chiropractors, acupuncturist, massage therapists, dieticians, others

**NOTE – This directory is not to be used for dental or vision care, those are separate insurance plans with different provider directories.**

**Example:** if you are looking for a Physician, click on the “Medical Doctors & Specialists” tile. From there, you will be given the option to select the type of doctor you are seeking.

## What are you looking for?

### Doctors (Primary Care)

Primary care physician (PCPs), family practice, pediatrician, others

---

#### [All Primary Care Physicians »](#)

A doctor who provides both the first contact for a person with an undiagnosed health concern as well as continuing care of varied medical conditions.

---

#### [Adolescent Medicine Physician »](#)

A physician who provides care to children as they develop from a child to an adult.

---

#### [Family Practice Physician »](#)

A physician who is educated and trained in family practice.

---

#### [General Practice Physician »](#)

A medical doctor who treats acute and chronic illnesses and provides preventive care and health education to patients.

---

#### [Geriatrician »](#)

A physician focused on the diagnosis, treatment and prevention of disease in older people and the problems specific to aging.

---

#### [Internist »](#)

A physician who specializes in the diagnosis and medical treatment of adults. This specialty, called internal medicine, is dedicated to adult medicine.

---

#### [OB-GYN \(Primary Care\) - California only »](#)

An obstetrician who also specializes in treating diseases of the female reproductive organs. Abbreviated OB/GYN. Some OB/GYNs also provide general health care for women. This search is for members in California only.

**When you click on one of the specialties, a list of providers will appear:**

**From here you can:**

- look at the list in “List View” or in “Map View”
- “Filter & Sort” by things like Languages the provider speaks, Gender, Hospital Affiliations, Office Detail, Plan information, Certifications, Specialized Trainings & Programs, Group Affiliations and Provider Type
- print a provider directory, or the information on a single provider.

If you click on a provider’s name, you will see important information including a listing of plans that specific provider accepts. **It is recommended that you check with the provider to ensure they are still in the network before making an appointment.**

**Lastly, call the doctor’s office to schedule an appointment.**
