Understanding Your Dental Benefits

Am I Eligible For Coverage?

To be eligible for coverage, you must qualify as an eligible member and be considered actively at work.

You must be enrolled for dental coverage before it can be offered to your dependents. Eligible dependents include your spouse, state registered domestic partner, and children, including those of your state registered domestic partner. Additional eligibility requirements may apply.

An annual enrollment applies. Members can enroll for dental coverage during the annual enrollment period and not be subject to the late entrant waiting period. Certain restrictions apply.
