

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, <https://www.aetna.com/sbcsearch/getpolicydocs?u=081400-080020-012501> or by calling 1-888-982-3862. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$0.	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
<b>Are there services covered before you meet your deductible?</b>	No.	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	In- <u>Network</u> : Individual \$1,000 / Family \$3,000.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges & health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.aetna.com/docfind">http://www.aetna.com/docfind</a> or call 1-888-982-3862 for a list of in- <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

## Supplemental Information

Coverage for: Individual + Family | Plan Type: HMO

How is the overall <u>deductible</u> or <u>out-of-pocket limit</u> met?	Individual <u>deductible</u> and <u>out-of-pocket limit</u> payments apply to the family <u>deductible</u> and <u>out-of-pocket limit</u> .	The family <u>deductible</u> and family <u>out-of-pocket limit</u> are cumulative for all family members. The family <u>deductible</u> and <u>out-of-pocket limit</u> can be met by a combination of family members; however no single individual within the family will be subject to more than the individual <u>deductible</u> or <u>out-of-pocket limit</u> amount.
---	---	---

## How your out-of-network care is reimbursed:

Your plan does not cover care you get outside of our network. Generally, we will not pay anything for that care. But your plan will pay for emergency services you receive from health care providers not in our network. Your cost sharing – deductibles, coinsurance, copayments – will be the same as if you got the care in-network. You are not responsible for paying anything else. If you get a bill for anything more, contact us.

## Other important information about your plan:

This plan does not cover all health care expenses and includes exclusions and limitations. Members should refer to their plan documents to determine which health care services are covered and to what extent.

Additional information regarding your plan is available in the Disclosure Document on Aetna.com.

Information includes:

- “Knowing what is covered” which describes how we review a request for coverage for a service or supply
- “Prescription drug benefit” which describes procedures we use to manage prescription drug benefits. These procedures include how to obtain a list of covered drugs and the exception policy for receiving coverage of a drug that is not on a closed formulary

Health benefits and health insurance plans are offered and/or underwritten by Aetna Health Inc., Aetna Health of California Inc., Aetna Health Insurance Company of New York, Aetna Health Insurance Company and/or Aetna Life Insurance Company (Aetna). In Florida, by Aetna Health Inc. and/or Aetna Life Insurance Company. In Maryland, by Aetna Health Inc., 151 Farmington Avenue, Hartford, CT 06156. Each insurer has sole financial responsibility for its own products. While this material is believed to be accurate as of the production date, it is subject to change.

Health benefits and health insurance plans contain exclusions and limitations. Not all health services are covered.

See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location and are subject to change. You may be responsible for the health care provider's full charges for any non-covered services, including circumstances where you have exceeded a benefit limit contained in the plan. Providers are independent contractors and are not agents of Aetna. Provider participation may change without notice. We do not provide care or guarantee access to health services.
